Dear Parents of 2019-2020 Kindergarten students,

If you are wishing to register your child at a school that is not your catchment area school, please be aware of the following:

Online registration begins January 25, 2019 at 8:00 a.m. Upon completion, this service will create an electronically date and time stamped form which will establish an ordered waiting list. To complete this form, follow this link, which can also be found on your school's website: http://bit.ly/kreg2019

Parents who do not have internet access may complete their on-line form at any K-5 school beginning at 8:00 a.m. on January 25th.

As in the past, out-of-catchment children attending in-school daycares will not receive priority for registration, as classrooms are staffed based upon the number of expected in-catchment registrations.

New for the 2019/2020 school year, younger siblings of out-of-catchment students already accepted in the school will receive priority and will be placed at the top of the ordered wait list in the sequence in which they registered.

No out-of-catchment Kindergarten students will be accepted prior to June 21st, 2019. This is in keeping with guidelines as outlined in the provincial schools of choice legislation.

As of June 21st, if space permits, out-of-catchment students will be accepted on a first-come, first-served basis with In-Division students receiving priority over Out-Of-Division students.

More information will be available at each school's open house. Any questions or concerns should be discussed with the Principal(s). The following links may also be of interest:
