HUSKY STUDENT OF THE MONTH

Broadcast Media

Landon

Landon started his filmmaking journey during his middle-school years at Golden Gate. Those early projects drove him to pursue Intro to Broadcast Media at CSHC. Landon has a passion for putting script to screen and continuously challenges himself to become a better film maker. His eagerness to build on every project stands out in a classroom full of creative minds. Driven by his interest in gaming, his hobbies consist of playing video games, coding, computer science, and digital art design with the ultimate goal of working for one of the most iconic video gaming companies in the world - Nintendo.
