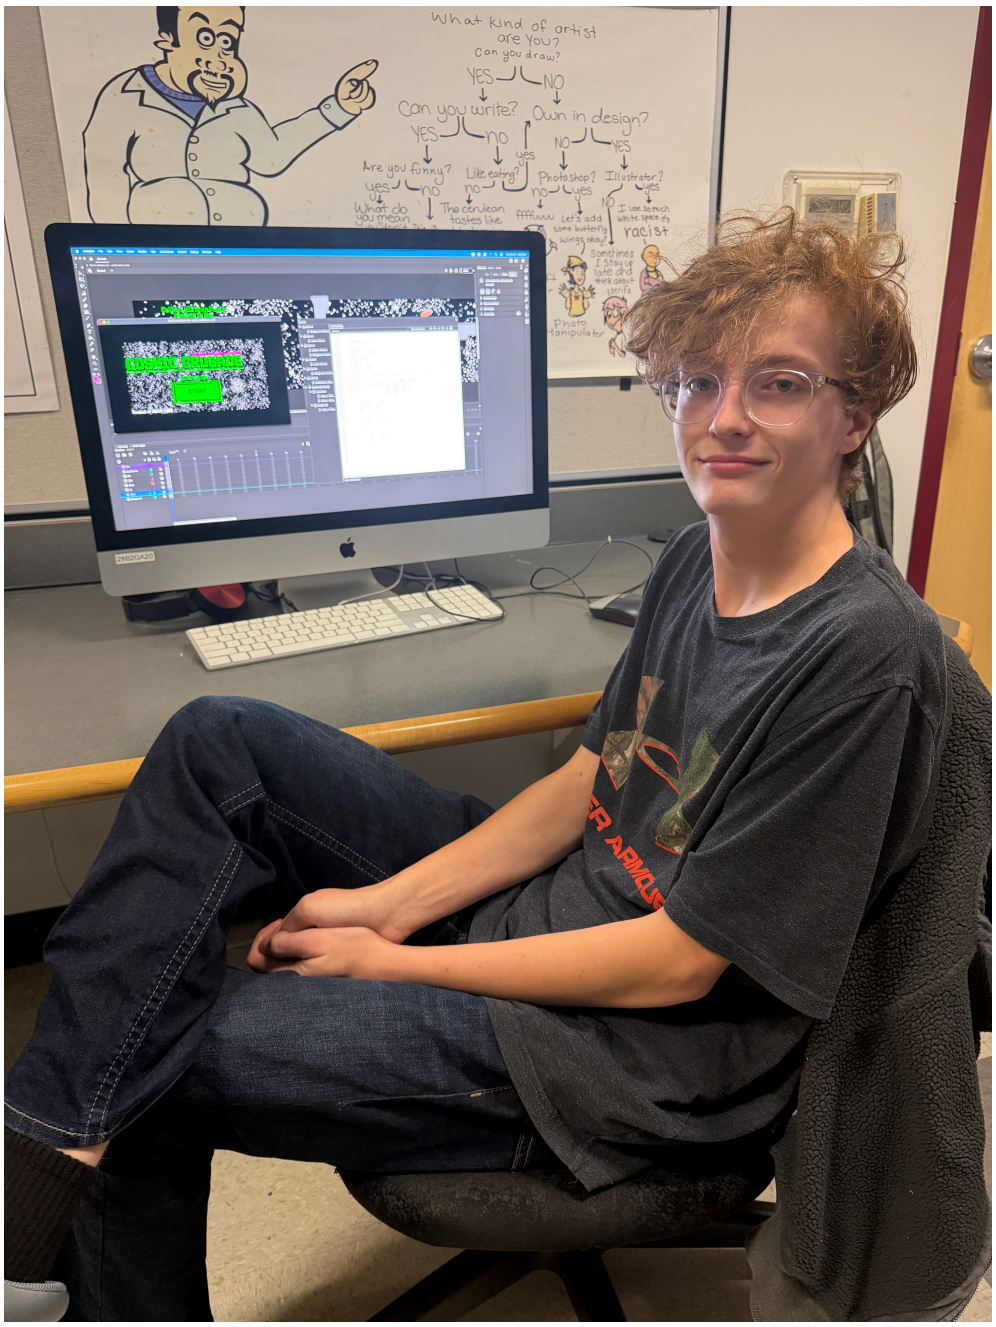
HUSKY STUDENT OF THE MONTH

Digital Media Design

Kyler

Kyler has done some exceptional work throughout the first unit of the DMD30S program. His game "Cosmic Crusade" was well designed and included completely original artwork that Kyler created himself. His mature attitude and good nature makes him a positive addition to the class. I look forward to seeing what Kyler comes up with next!



What kind of artist are You?
Can you draw?
YES
NO
Can you write?
Own in design?
YES
no
yes
