

Craig Glennie

2018 – Present

Craig believes education is an important pillar in any child's foundation towards success in life. That is why he is committed to ensuring that the current and future generations of the St. James-Assiniboia School Division have access to safe, quality education. It should be designed to not only nurture and care for them, but to guide and fulfill their highest potential.

Craig's strong passion of education has led him to attain his Masters of Business administration from Chaminade University of Honolulu, a Bachelor of Arts (Advanced) from the University of Manitoba and a Certificate in Marketing Strategy from Cornell University.

He currently works in Corporate Finance at BellMTS and has also served on the Board of Directors at A&O: Support Services for Older Adults (A&O) in various roles including Vice-Chair of the Board, Chair of the Investment Committee and member of the Finance Committee. Previously, he was an assistant to a Member of Parliament and Member of the Legislative Assembly.

Craig is a proud resident of Silver Heights and both him and his wife look forward to continue raising their son in the St. James-Assiniboia area.
