

Nicole Bowering

2018 – Present

Nicole Bowering was elected as School Trustee in 2018 and represents the King Edward - Deer Lodge Ward of the St. James-Assiniboia School Division. She and her husband, Matt, have three children, all attending schools in the Division.

Nicole has always valued community service and, since moving to St. James more than 10 years ago, has been actively involved in several organizations within the community and city. She served on the Youth Employment Services Board of Directors for more than five years – working on the Governance and Board Development portfolios. Nicole has also been an active school volunteer and Parent Council member for six years, including terms as Vice President and Treasurer with the Parent Council Executive. Prior to joining the Division as a School Trustee, Nicole worked as an Employment Facilitator with Youth Employment Services (YES Manitoba) helping youth and young adults prepare for the workforce and find gainful employment.

As a Trustee, Nicole will be working as Chair of the Marketing Committee, as well as serving on the Finance and Facilities Committee and acting as a Board Municipal Council Liaison and Student Council Liaison.

Nicole believes each student in our Division is a valued member of our community and will actively work to ensure all students feel safe and welcomed at school and are given the opportunity to become engaged learners. She believes in the importance of community input and focus, listening to the questions, concerns and ideas from community members and stakeholders. Nicole values integrity and transparency and will work hard to ensure these values are exemplified in her role as a School Trustee.
