## **The Grey Cup on route to Collège Sturgeon Heights**

On Tuesday, February 21, CFL player Kienan LaFrance will be returning to his old high school with the Grey Cup to enjoy an extra special visit at Collège Sturgeon Heights Collegiate.

LaFrance, a former Husky and University of Manitoba Bison football player, is now a running back in the CFL for the Ottawa RedBlacks. In November 2016, he helped lead his team to victory playing in the Grey Cup Championship against the Calgary Stampeders.

Collège Sturgeon Heights Collegiate is excited to welcome LaFrance back to the school and host this event for the community to enjoy. The Grey Cup and LaFrance will be in the gymnasium at the school from 9:30 a.m. to 12:30 p.m on February 21. The public is welcome to come visit Kienan and check out the Grey Cup during this time.
