

How Students Can Access the Sora Platform Online

1. Go to the [Sora Login page](#). The link can also be accessed on the Division website under [Library Resources](#).
2. Select “**Staff & Students – SJASD login.**”
3. Use your **SJASD computer login (username and password)** to access the platform.
4. Locate **Sweet Reads** books in a curated (green) section of the platform located at the top of the Explore page.
5. Click “**Over 230 books**” to browse all the titles available for simultaneous check-out.
6. Click on a **book cover** to read more about a book that interests you.
7. Select “**Borrow**” to begin reading!

How Students Can Access the Sora Platform Using the App

1. Search your app store to find the Sora App for your phone or tablet. If you have difficulty searching for the app, go to <https://sorapp.com>.
2. **Download the app** onto your phone or tablet (there is no cost to do this).
3. **Open the app.**
4. **Type in your school's name** to find your school. When you see your school, **tap it**. This will take you to the Division's login page.
5. Select “**Staff & Students – SJASD login.**”
6. Use your **SJASD computer login (username and password) to access** the platform.
7. Locate **Sweet Reads** books in a curated (green) section of the platform located at the top of the Explore page.
8. Tap “**Over 230 books**” to browse all the titles available for simultaneous check-out.
9. Tap on a **book cover** to read more about a book that interests you.
10. Select “**Borrow**” to begin reading!
