

**St. James-Assiniboia
School Division**

Supplementary Financial Information
December 31, 2023

Independent auditor's report

To the Board of Trustees of St. James-Assiniboia School Division

Our opinion

In our opinion, the accompanying financial information of St. James-Assiniboia School Division (the School Division) for the calendar year ended December 31, 2023 is prepared, in all material respects, in accordance with the basis of accounting described in the note to the financial information.

What we have audited

The School Division's financial information comprises the schedule of compensation equal to or over \$85,000 for the calendar year ended December 31, 2023 and the note to the financial information, which includes significant accounting policies.

Basis for opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial information* section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the School Division in accordance with the ethical requirements that are relevant to our audit of the financial information in Canada. We have fulfilled our other ethical responsibilities in accordance with these requirements.

Emphasis of matter – basis of accounting and restriction on use

We draw attention to the note to the financial information, which describes the basis of accounting. The financial information is prepared to assist the School Division in complying with the requirements of Section 2(1) of the Public Sector Compensation Disclosure Act of Manitoba. As a result, the financial information may not be suitable for another purpose. Our report is intended solely for the School Division. We neither assume nor accept any responsibility or liability to any other third party in respect of this report. Our opinion is not modified in respect of this matter.

Responsibilities of management and those charged with governance for the financial information

Management is responsible for the preparation of the financial information in accordance with the basis of accounting described in the note to the financial information, and for such internal control as management determines is necessary to enable the preparation of financial information that is free from material misstatement, whether due to fraud or error.

Those charged with governance are responsible for overseeing the School Division's financial reporting process.

Auditor's responsibilities for the audit of the financial information

Our objectives are to obtain reasonable assurance about whether the financial information as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial information.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial information, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the School Division's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates, if any, and related disclosures made by management.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
