BOARD MEMBER INSURANCE

The Board shall maintain an adequate and comprehensive insurance program covering its buildings and grounds, vehicles, and individuals while working within the scope of their duties for the Division. The Manitoba Schools Insurance Program (MSIP), a program of property and casualty insurance operated by the Manitoba School Boards Association, shall be utilized.

General liability and legal liability coverage will be provided to members of the board, its employees, volunteers, and student teachers. This coverage will insure them against any liability they may incur as a result of claims or suits brought against them, including defense thereof, for any negligent, intentional or wrongful acts allegedly committed during their employment or while under the direction of the Board.

The school system will make every effort to obtain insurance at the most economical cost, consistent with required coverage and services.
