**PARKING LOT CHARGES**

**A. Staff Parking**

The School Division shall charge all professional and support staff for the use of school parking lots. Rates shall depend on whether the staff member selects an assigned parking stall with or without a car heater plug. Part-time staff will have the parking fee prorated by full-time equivalent (F.T.E.). All Principals must maintain a Staff Parking Schedule (DFCA-E-5).

APPROVED 75-II-25  
REVISED 77-01-25

**B. Student Parking**

Students using the school parking lots shall be charged at the same rate as all staff of the Division. In the assignment of parking spaces the staff of all schools shall have priority.

**C. Designated Student Parking**

Students parking in the designated student school parking area will be charged a parking fee as determined by the school Principal.
