EBCB-R

EVACUATION/FIRE DRILLS

It shall be the responsibility of the Principal to conduct evacuation/fire drills regularly as required by regulations under Provincial Statute. Procedures for fire drill shall be posted in each classroom and every student and staff member should be familiar with them. All school building personnel will participate in these drills.

The Principal shall keep a record of each evacuation/fire drill, noting the date, the time for exit, and any unusual circumstances. In addition the Principal shall keep a report of all unscheduled evacuation/fire drills instances which occur in the school.
