INTERSCHOLASTIC ATHLETICS

Sports Activity Funds

The Board budgets annually for sports activities in each school. Monies thus allocated may be used by the school to cover costs of transportation to games, referee fees, etc.

Coaches

The use of non-staff personnel for coaching duties is not forbidden but it should be a last resort. There is no existing financial arrangement whereby the School Board will contribute towards the hiring of outside coaching assistance. All such activities sponsored by the school shall be supervised by a teacher.
