## **ASSIGNMENTS OF STUDENTS TO CLASSES AND GRADE LEVELS**

It is the goal of the Division that every student be placed at an appropriate level in which the student can achieve success. This determination shall be made by the principal, in consultation with parents, teachers, and when necessary Student Services Support personnel; and with reference to the student's age, previous school's recommendation and available assessments.

The decision of the principal shall be final regarding placement of students at a grade level or the reassigning of students within classes.
