

ADULT CROSSING GUARDS

As part of its emphasis on student safety, the Division cooperates with parents and law enforcement agencies to enhance the safety of early years school students on their way to and from the school by endorsing the use of adult crossing guards.

Adult Crossing Guards

1. This Division supports the concept of utilizing adult crossing guards at specified intersections where conditions warrant their use in addition to student patrols.
2. The final decision regarding the numbers of adult crossing guards utilized and their locations shall be with the Board.
