

## **Video Surveillance**

### **Purpose and Scope**

This policy is for the purposes relating to the safety of individuals and security of divisional buildings and property. Video surveillance will respect student and staff privacy and was produced in accordance with *Freedom of Information and Protection of Privacy Act* (the Act), and created based on the Manitoba Ombudsman *Video Surveillance Guidelines*.

The policy only relates to video surveillance activities necessary to enhance the security of safety of people and property. This policy does not apply to the Division owned property that is being leased or rented to a tenant. Private-sector organizations in Manitoba follow the *Personal information Protection and Electronic Act* (PIPEDA).
