

INTERPRETER RESPONSIBILITIES

As required, someone that is fluent in English as well as an additional language may act as interpreter in an effort to facilitate communication between the school and home. This being the case, the person who acts as an interpreter will be expected to acknowledge their responsibility to adhere to established guidelines for conduct both during and after any such communication. Prior to acting as an interpreter, the appropriate divisional staff will ensure that the interpreter completes form IJNAB-E-1 and submits said form to the school principal.
