

**CRIMINAL RECORD AND CHILD ABUSE REGISTRY CHECK DECLARATION FOR  
FORMER VOLUNTEERS**

I have provided the Division with receipts supporting my application for updated criminal record and child abuse registry checks and I declare that since the date of the last criminal and child abuse registry checks supplied to the Division, I have not been charged with a criminal offense to which a pardon has not been granted.

I understand that if I am ever charged with a criminal offense, I will cease volunteering and immediately notify the Division.
