## **STUDENT REPORT CARDS TO PARENTS**

As per the Public Schools Act, parents shall be informed regularly of the academic achievement of his or her child. As per Manitoba Education, Grade 1-12 student progress will be reported to parents using the common provincial report card. The report cards will include information about academic achievement, behavior that affects student learning and comments about strengths, challenges and next steps to support the child's learning.

Report cards will be sent home in the fall, spring and at the end of the school year.

The progress of Kindergarten children will be reported using a Division Kindergarten report card. These reports will be sent home at the same time as Grade 1 – 5 report cards.

Parents will be provided with updated information regarding his or her child's academic achievement as requested.
