2022 – Present

Michael (Mike) Cabral is a passionate Entrepreneur that always makes time for people and will tell you, "I'm always here to help!"

He is a dedicated father of three wonderful children (on their good days) and a beautiful, loving wife that takes care of him on good days and bad ones.

As an Entrepreneur, Mike runs businesses, primarily in Winnipeg in the awesome province of Manitoba as a Mortgage Professional at 204mortgages.com.

Mike is the Past Chair of the Assiniboia Chamber of Commerce and has worked on boards in the community.

He has travelled throughout Europe with his family while multi-tasking and running his business in Winnipeg.

As a Trustee of the St. James-Assiniboia School Division, Mike wants to help all students get the highest quality of public education in Winnipeg so they will achieve excellence.

It will also be his mission to provide safe, accessible, and respectful classrooms for all students within the Division. He wants SJASD to be a community where all families want to live.
