

Craig Johnson

2010 – Present

Craig Johnson serves the residents and families of St. James-Assiniboia School Division through being Chair of the Finance/Facilities Committee, a member of the Personnel Committee, Governance Committee and Council Liaison Committee.

Craig has been active in promoting student safety and improving the quality of education for students. He has introduced successful motions for the Manitoba School Boards Association promoting bus safety and urging greater speed in promoting accessibility for all students. He was also active in promoting the development of new technology and supporting development of quality facilities for our students and community.

Focusing on the community, Craig supports ensuring that our schools integrate with neighbourhoods to involve everyone, especially our senior residents. He promotes awareness of the need for our schools to deliver excellence for all students while promoting individual achievement.

Craig is an active educator being a Career Services Manager at a local Winnipeg college. He is aware of the educational and vocational needs of employers for our students. From working with adult learners from over 80 different countries, Craig has a developed understanding of our multicultural community. He also teaches classes of adult learners and has the opportunity to meet many St. James-Assiniboia alumni in a supportive capacity. He has been involved with the Winnipeg and Manitoba Chambers of Commerce as well as the Downtown Biz and other business and social groups and clubs.
