

ATTENTION JUNIOR GOLFERS

Bel Acres Golf Course is looking for junior golfers, aged 7 to 14, for the 2018 golf season.

There are a few changes for the Junior league in 2018.

- The Junior league will start Sunday, May 27, 2018, and will consist of 14 weeks.
- There will be no clinics held on holiday weekends.
- Cost of the Junior league is \$ 159.00 for non-members, and \$89.00 for junior members.
- Ages 7 – 9 will have instruction on the driving range, putting green, and chipping green, from 2 - 3pm. They have the option to go and play with a parent at the completion of the clinic, at an additional cost. Adult supervision is required for course play.
- Ages 10 - 14 will have instruction on the driving range, putting green, and chipping green, from 3 - 4pm. They have the option to play 9 holes after the clinic, with adult supervision, or based on experience level, on their own with other juniors.
- Once a month, the entire group will play 9 holes of golf, which will be supervised by the instructor, or as many holes the juniors can play until 4 pm.

The Junior League at Bel Acres is a great way for juniors to learn how to play golf, proper golf etiquette, meet new friends and enjoy the outdoors.
