Dear Parents and Students,

Welcome to Athlone Elementary School!

The entire staff at Athlone School is dedicated to providing the best education for your child/children. Our school community boasts of strong academic programs, high expectations for all, and a strong commitment to ensuring that all learners will be the best that they can be. We believe in "catching kids being good" in a safe and caring environment.

Students, staff, and parents all play an important role in our "community of learners". Parents are encouraged to be actively involved in our school through activities such as the Parent Council and the parent volunteer programs. Staff will work diligently to challenge your child/children and to keep you well informed.

Our school goals for 2019-2020 and our accomplishment statements from last year will be published on our website in October.

Professional development for staff continues to be a priority as teachers plan together, work together, and share successes. We work as a team!

Our website is a source for all school information. Be sure to check out our website at <https://www.sjasd.ca/school/athlone> for information. Please also follow our Instagram account [@athlonestjames](#) for updated information and to see our programming in action.

Please call me any time or drop by the office - your input and suggestions are encouraged and welcomed.

R. Miller, Principal

## **Dismissal on Staff Meeting Days**

Students will be dismissed at 2:45 p.m. on the first Tuesday of each month for staff meetings.

## **Attendance**

Regular attendance is very important for your child's education. Procedures will be followed for excessive absences.

It is also very important that children arrive at school on time. It is detrimental to learning when main concepts are missed because of tardiness. Procedures will also be followed for an excessive number of lates.

## **Safe Arrival and Early Dismissal**

Please call Safe Arrival at 1-844-434-8116 to inform the school of your child's absence. When a student is recorded as being absent, and a call has not been made to explain the absence, parents will receive a phone call from our Safe Arrival program requesting the reason your child is absent. We request that you call Safe Arrival by 8:45 a.m. to inform us about your child's absence. We want to ensure that all students who set out for school arrive safely.

**All students who report to school late must come to the office for a late slip before proceeding to their classrooms.**

**Parents MUST sign their child out in the office Sign Out Book if the child is leaving the school early for an appointment or at the parent's discretion. This is very important.**

## **Bicycles**

Students riding bicycles to school must wear helmets. Racks are provided for students in the front of the school. Once students have arrived at school, bikes are to be locked and students are to leave the immediate vicinity of the racks. The school is not responsible for damaged or stolen bicycles.

## **Dates For Your Calendar**

Manitoba Education and Training allows school divisions to allocate up to ten days of the school year to be used for in-service and administrative days over the school year. Parent-teacher conferences are classified as administrative days.

We will try to advise you as far in advance as possible of in-service dates, holidays, etc. in order that you may make your own plans for holidays or doctor and dentist appointments. Check the school website for updates.

## **Emergency Evacuation Procedures**

All public schools are required to evacuate the building in the form of a "Fire Drill" at least ten times a year. In the event of an emergency, in which an evacuation of the school is necessary, all teachers will take their classes to Bruce Middle School (Telephone 204-888-1990). The second evacuation site is Good News Mennonite Church.

Teachers will take attendance at Bruce Middle School and students will be held there until arrangements can be made with their parents to have them picked up or sent home.

All students staying for lunch will have their names entered on the lunch lists in case of an evacuation at lunch hour. Lunch room supervisors and any staff members in the building would then follow the above procedures.

During school hours the side doors of the school will be locked. Access to the building will be through the front doors only. **All visitors MUST report to the office.**

## **Visitor Sign-In**

For safety and security reasons, it is necessary that we monitor all persons entering the school. All doors, except the front entrance are locked while classes are in session. If you are in the building to pick up a student or drop something off, please report to the office to announce your presence and **sign in**.

## **Pupil Files**

Pupil files are established for each student enrolled in school. Policy 13018 states the following: The Public Schools Act requires every School Board to establish a pupil file for each pupil enrolled in a Manitoba school.

The pupil file is an ongoing official record of a pupil's educational progress from Kindergarten – Senior 4. A pupil file includes the entire collection of information compiled or obtained by the staff of a school relating to the education of the pupil which is stored in written, photographic, electronic, or any other form, and is held in the school, school board office, or other office under the jurisdiction of the school board.

Each parent (custodial and non-custodial), legal guardian, or age of majority pupil has the right to information contained in school or divisional files unless there is a court order forbidding the right to access. **When the pupil reaches the age of majority, consent of the student is required to allow parents to access the pupil file.** Where parents are separated or divorced, both parents have the right to receive information or reports on their child, unless the court orders otherwise. (Divorce Act Section 16(5), the Family Maintenance Act Section 39(4))

## **Nutrition**

Athlone School promotes healthy eating and healthy living, and has developed a nutrition policy.

## **Lost and Found**

Each year numerous articles find their way to the Lost and Found bin. To reduce losses, please label all student articles, especially gym wear, outdoor clothing, and boots. After 30 days, unclaimed items will be given to a charitable organization.

## **Lunch**

Students may stay at school for lunch in designated lunch rooms. Supervision is provided by paid lunch supervisors.

## **Lunch students are not allowed to leave the school grounds at any time during the lunch hour.**

Students who stay at school for lunch should respect the lunch supervisors at all times. They must also respect their peers and make lunch time an enjoyable part of the day. Staying at school for lunch is a privilege that can be revoked if students do not follow the lunch program expectations.

Please help us to "go green". As much as possible, please attempt to send litter-less lunches with your child. This would be much appreciated as we strive to reduce garbage and recycle and/or reuse.

Students who go home for lunch are not to return to the school early. Students are not expected to return to the school grounds until 12:20 p.m.

## **Nut Allergy Awareness**

There are students and staff in our building who are severely allergic to peanut, tree nuts and other nut products. Some of these allergies are life-threatening. Please do not send peanut or any other nut products in your child's lunch, for classroom snacks, or for special occasions. Home-baked goods are not to be sent to school for "special occasions". We want to ensure that our environment is safe for all children.

## **Scent Allergies**

There are students and staff at Athlone School that report sensitivities to various chemical-based and scented products. Chemicals used in scented products can aggravate health problems already present in people, especially those with chemical and fragrance sensitivities, asthma allergies, migraines and other medical conditions. We ask for everyone's cooperation in our efforts to keep the air we share healthy and fragrance free.

## **Recesses**

All children are expected to go outdoors for recess. According to Division policy, students will have indoor recess when the windchill hazard is at or over  $-28^{\circ}$  C. When the windchill hazard is between  $-25^{\circ}$  C and  $-28^{\circ}$  C, outdoor recess may be allowed for a period of 10 minutes.

Please ensure that children are dressed appropriately for the weather at all times. We discourage staying in for recess because the break and the fresh air are beneficial for the children.

## **Parent Council**

The Athlone Parent Council meets on a monthly basis. Elections will be held at the first general meeting. The elected Parent Council executive will be published in the October newsletter.

Minutes of the council meetings are available on the bulletin board in front of the office and on the website.

The Athlone Parent Council works to:

- promote cooperation, positive relations, and communication between the home, school, and community.
- promote parental involvement in the school.
- promote the objectives of the school, recognizing the student is the most important and vital component of the educational system.
- promote the welfare of children and support the educational purpose of the school.
- organize special events and plan fundraising activities.

*The Parent Council is a very important group in our school community and we encourage parents to attend the monthly meetings.*

## **Volunteers**

We encourage you to volunteer in the school. Your participation in school activities is greatly appreciated.

Please be reminded that any adult who works alone with children is required to have a child abuse check and a criminal check completed. Please ask about this in the office.

Please be reminded also that confidentiality is expected when you are working with teachers and children.

## **Parent-Teacher-Student Conferences (Triad Conferences)**

Parent-Teacher-Student conferences are held in November and March to allow all parents an opportunity to discuss their child's progress with the teachers. These conferences are held after the first and second reporting periods.

Two days in September are also used for interviews. These days provide an opportunity for parents and children to meet with the teacher before the children start classes.

In general, parents are encouraged to meet with teachers at any time during the year. Please call the school to make an appointment.

## **Bussing**

Students who ride the school bus are expected to follow the behaviour expectations, which are reviewed with students each year. If a child does not demonstrate appropriate behaviour, disciplinary actions will follow. If the school should receive more than two reports from the bus driver about inappropriate behaviour, a suspension from riding the bus may be issued. Parents will be informed of any bus reports which are submitted to the office. Under no circumstances will the privilege be denied without parent contact.

Parents are asked to listen to CJOB for bus cancellations.

### **Physical Education Clothing**

We request that grades 3-5 students have gym shorts and T-shirts for physical education. All students should have a pair of running shoes that can be left at school. Indoor, soft, white-soled runners must be worn in the gymnasium for all physical education activities. Please put the student's name on each item of clothing.

### **Physical Education Program**

We encourage participation in co-curricular activities. Grades 4 & 5 have basketball, badminton, cross-country, and volleyball clubs. There are also various intramural noon hour activities. The school's philosophy regarding Phys. Ed. is based on participation rather than competition. Monthly calendars are posted on the school website outlining activities and times.

### **Co-curricular Activities**

The staff at Athlone provides an opportunity for children to become involved in many varied co-curricular activities. Please watch for upcoming events on the school website. Parents are invited to share their skills and expertise by working with staff in offering extra activities before and after school and during lunch breaks.

### **Report Card Dates:**

December 2

April 7

June 29

### **Roller Blades, Scooters, and Skateboards**

Roller blades, scooters, and skateboards are **not allowed** at the school. They create safety concerns and storage problems.

### **Safety Patrols**

The Athlone School Safety Patrols assist students in crossing Ness Avenue at Prairie View (including an adult crossing guard), Athlone Drive in front of the school, at the school parking lot entrance, Flamingo, and Red Robin. Patrol members are on duty from:

8:20 - 8:35 a.m.  
11:30 - 11:40 a.m.  
12:15 - 12:25 p.m.  
3:15 - 3:25 p.m.

### **Threats and Bullying**

Bullying is targeting a person for repetitive, negative actions. There is an imbalance of power where victims cannot defend themselves. Students will be taught about reporting bullying behaviours and responding to any bullying behaviours. Bullying is mean and cruel and parents and staff will work together to eliminate bullying behaviours.

Threats are serious and all threats will be addressed. If the principal feels that a pupil has been harmed as a consequence of unacceptable conduct/bullying both parents/guardians will be notified.

### **School Plans**

A summarized version of our school planning report is issued to parents in October. Included is a report on our accomplishment statements from the previous year.

### **Parking**

**No parking is allowed in the driveway, in front of the garbage/recycling bins or in reserved spots.** Cars parked along the driveway create a very unsafe area for children. If you are picking up or dropping off your children, please park at the very end of the parking lot.

**Parking is not permitted in front of the school where buses pick up and drop off students.**

**Areas around the school are "Idle Free" zones. Please respect these requests.**

### **Internet Use**

Parents are requested to complete a permission form in order for students to access the Internet in school. Children are taught the rules of etiquette on the Internet and any abuse will result in a loss of privileges. The forms are to be completed at time of registration.

### **Electronic Devices at Athlone School**

The school understands that some students have personal cell phones that they are asked to carry for emergency situations. This is the only reason for these devices to be used. They are not to be used at classroom times or break times for making phone calls, texting, taking pictures, listening to music etc... They are to remain in a secure location for emergency purposes only. Other electronic devices such as iPods etc. should not be brought to school. The school will not be responsible for the loss of any electronic devices. It is strongly suggested that valuable items be left safely at home.

### **Field Trips**

On the permission forms that are sent home for each field trip, any unusual risk factors will be identified.

On very rare occasions, private vehicles may be used for the transportation of students for school-sponsored activities. Verification of a valid driver's license and proof of valid insurance coverage are required. A form (EEAE-E) will be completed annually by volunteer drivers.

Under Manitoba regulations and according to Policy IICA-R, children must meet the height and/or weight restrictions before being allowed to travel in the front seats of vehicles that have air bags. Child restraint seats are required for children who are under the age of six and weigh less than eighteen kilograms.

### **Special Programs**

Reading Recovery – Grade 1  
Math Enhancement – K- Grade 1  
"Roots of Empathy"<sup>™</sup>

## **Code of Conduct**

In alignment with the Manitoba Education Provincial Code of Conduct and the St. James-Assiniboia School Division's Student Conduct policy (JK), Athlone School's goal is to provide a safe, secure and caring learning environment, which fosters students' personal growth, self-respect, and a sense of belonging and prepares them to be responsible citizens.

Athlone School recognizes that disciplinary measures may be necessary when other approaches to challenging behaviour have not been successful. In these situations interventions and disciplinary consequences may have to be implemented. Interventions and consequences are consistent with the *Provincial Code of Conduct* and take into consideration the frequency, severity of the unacceptable behaviour and the student's age and stage of development. Reasonable accommodations for students who have exceptional learning needs are considered. These accommodations take into account the student's ability to comply and the amount of support required.

[\*Provincial Regulation: Appropriate Disciplinary Consequences in Schools\*](#) states that the principal has disciplinary authority:

- over the conduct of students while they are at school
- over students in terms of their conduct towards one another on their way to and from school, and while being transported via school bus
- to ensure appropriate use of social media and to address unacceptable student conduct including bullying, cyber bullying and abuse of a student by another
- to determine which consequence is appropriate in a given situation.

Principals will administer such discipline as might be exercised by a kind, firm and judicious parent. Discipline is administered with dignity and professional judgment in order to promote and maintain student self-respect, self-discipline and holds students accountable for unacceptable behaviour. Working to develop a safe and positive school climate is a shared responsibility that involves cooperation between the school and parents. Athlone School will notify parents/guardians of situations involving their child in disciplinary situations. Parents are encouraged to contact the school any time they have a concern regarding a disciplinary matter.

Students/parents/guardians may choose to follow the appeal process. This involves an appeal to the staff member who made the disciplinary decision, then to the school principal if not resolved, then to the superintendent of schools if not resolved, and finally to the Board of Trustees. In cases of suspensions in excess of five days and expulsions, the appeal goes directly to the Board of Trustees.

All people on school property and/or engaged in school business must behave in a respectful manner and comply with the code of conduct.

Unacceptable behaviours include, but are not limited to the following:

- Bullying/cyber-bullying
- Social, physical, sexual, psychological, verbal or written abuse or aggression
- Harassment/discrimination
- Under the influence of drugs or alcohol
- Threats to self and others
- Gang involvement
- Possession of a weapon
- Possession or being under the influence of an illicit drug
- Inappropriate use of the internet and electronic devices/communication
- Informal Discussion
- Parental Involvement
- School Counsellor/Resource Teacher

- Formal Interview
- Withdrawal from Classroom Setting
- Removal of Privileges
- Detention
- Compensation for Damages
- Behavioural/Performance Contract
- Student Services Involvement
- Outside Agency/Community Involvement
- Violence/Risk/Threat Assessment
- Police Notification
- Student Suspension
- Student Expulsion

At Athlone School, our belief fits with that of Restitution theory. We believe that mistakes are opportunities to learn and our goal is to assist children to become the people they want to be. Restitution is a growth process for everyone involved, adults as well as children. We create the conditions for children to lift themselves out of failure and to leave behind blame and denial. A successful outcome allows a child to return to the group feeling strengthened.

Interventions and consequences may be applied as appropriate to the context, but they need not be applied in the order they appear in this document.

The content of this Code of Conduct is reflective of the following sources:

- St. James-Assiniboia School Division [Policy JK](#)
- [Manitoba Education: Safe and Caring Schools Provincial Code of Conduct – Appropriate Interventions and Disciplinary Consequences](#)
