As an inclusive and culturally responsive school, we are welcoming all students to learn about First Nations, Métis, and Inuit traditions. Smudging is an Indigenous tradition that involves the burning of traditional medicines. Smudging allows people to become mindful and centered, better able to hear, see, think, speak, and act in a good way. Participation is always voluntary. It is done in a designated area on school grounds and is approved by the Division's Workplace Health and Safety Officer to ensure that there is proper ventilation. More information about smudging is available by contacting the school. To participate in smudging, this consent form must be completed and returned to the classroom teacher. permission to: l grant (Student's Name) ☐ Participate in smudging at the school. ☐ Only observe smudging at school. ☐ Leave the room during the smudging event. STUDENT PRESENCE AND ENGAGEMENT AND STUDENT CONDUCT POLICIES

All students and parents are responsible for ensuring that they are familiar with and comply with the Schools' Student Presence and Engagement and Student Conduct Policies. Copies of the policies are available in the school office and will be distributed at the beginning of the year.

FAMILY LIFE (Potentially Sensitive Content)

IHAE-E-2

The Physical Education/Health Education curriculum is mandated by Manitoba Education. Content related to substance use and abuse, personal safety and human sexuality is considered potentially sensitive.

Potentially sensitive content must be treated in ways that are appropriate for the local school and community context. Manitoba Education recognizes that the prime responsibility for education about issues of sexuality, including healthy relationships, consent and sexually transmitted and blood borne infections, rests with the family. It is clear to parents, teachers, and community health leaders that young people must have knowledge, skills, guidance and support if they are to make responsible and health and wellness enhancing decisions.

In accordance with this, the option is available for parents of students at all grade levels to decide whether the student should receive school-based delivery of potentially sensitive content, <u>or</u> delivery in an alternative setting of their choosing. Parents will be notified of the start date and topics to be covered prior to the program delivery.

Ш	Yes, I give my child permission to receive school-based delivery of the potentially sensitive content as outlined in the
	Physical Education/Health Education Curriculum.
	·

No , I prefer that my child receive delivery of the potentially sensitive content as outlined in the Physical Education/Health
Education Curriculum in an alternative setting. I understand that I am responsible for ensuring the delivery of the
potentially sensitive content. Resources and curriculum materials are available through your school or on the Manitoba
Education website at http://www.edu.gov.mb.ca/k12/cur/physhlth/resources.html

PARENT/GUARDIAN AND STUDENT CONSENT FOR SEARCH

JIHA-E-1

Lockers, cupboards, desks and any other storage areas are the property of the St. James-Assiniboia School Division and as such the Division reserves the right to inspect the contents of these areas at any time. School administrators have the authority to conduct an inspection of these areas, locked or unlocked, whenever they have reasonable grounds to believe a school or division regulation, rule or discipline has been breached or a violation of the law has occurred and the search will reveal evidence of that breach or violation.

Students should consider whether they wish to keep items of a private nature in the locker.

Both parent/guardian and student must sign the Parent/Guardian and Student Consent for Search form at the time of registration in accordance with Policy JIHA, JIHA-R (Search of Student Desks, Lockers, Storage Areas, Student Effects and Student Driven Vehicles).

I have read, understand and agree with the above.

INTERNET USE PARENT ADVISORY

IJNDC-E-1

The St. James-Assiniboia School Division strongly believes that technology and access to the internet are valuable resources that teachers will use as a means to extend and enhance the learning experiences in the classroom. As such, you may expect your child to have regular access to the technology available in their school and in turn, access to the internet.

Additionally, all St. James-Assiniboia students will be supplied with a Division managed Office 365 account providing them with an email address, cloud based document storage and a set of productivity and collaboration tools that can be used at school and at home.

These resources are being provided to students with the understanding that they will be used for educational purposes only and all such use will abide by the following Division policies:

- Acceptable Student Use of Digital Technologies and Electronic Communications (Policy IJNDC and Regulation IJNDC-R)
- Acceptable Student Use of Digital Technologies and Electronic Communication (Exhibit IJNDC-E-2)
- Student Conduct (Policy JK)

School.

STUDENT ACCEPTABLE USE AGREEMENT

IJNDC-E-1

I have read, or will ensure that I read, and agree to comply with the Division policies (IJNDC, IJNDC-R, IJNDC-E-2, JK) regarding my responsibilities as a St. James-Assiniboia School Division student as they pertain to my use of Information Technology. I understand and agree that access to technology as provided by the School Division is to be used for educational purposes only, that there is no expectation of privacy, and that the Division has the right to access and monitor the information in the accounts.

PRINT & DIGITAL MEDIA RELEASE FORM

IJNDC-E-1

The St. James-Assiniboia School Division recognizes that print media, digital media and the internet provide an ideal means to showcase, celebrate and promote school and Divisional activities and share student work with other students, parents/guardians, staff and the global community.

At the same time, however, the Division remains committed to protecting the privacy and safety of all students. For this reason, the Division has established a protocol for the publication, broadcast and distribution of print and digital media under regulation IJNDBA-R and policy IJNDBA.

School Division managed/sanctioned online sites are defined as:

- the Division website;
- · school websites;
- teacher websites:
- teacher blogs;
- School Division sanctioned social media tools (as defined in policy GBEE);
- School-wide moderated public social media networks (as defined in policy GBEE).

The School Division requires parent/guardian consent for the use of their child's photograph, video or audio recording, samples of their child's work and the use of their child's name under the circumstances detailed below.

1. Use of Student Photograph and Name in Print and/or Digital School Yearbook*

The following may appear in print or digital versions of the school yearbook:

- Student photographs
- Video and/or audio recordings of students
- Students may be identified by first and last name.

^{*} The term School Yearbook may also include any similar print or multimedia "school souvenir" collection to be distributed to the student body or a smaller group thereof.

2. Publication of Student Photos, Student Work Samples, Video / Audio Recordings and Use of Student Names

For the purposes of highlighting and celebrating events and activities in the school, student photographs and samples of student work may appear:

- in the printed version of the school newsletter.
- · in any printed promotional material for the School Division.
- · in the local community or city newspaper.
- in the online version of the school newsletter which is posted to the school website.
- on publicly accessible School Division managed/sanctioned online sites as defined above.

Video and/or audio recordings of student activities or events may appear:

- in any multimedia promotional material for the School Division.
- on publicly accessible School Division managed/sanctioned online sites as defined above.
- on television and/or radio broadcasts.

NOTE: At times, schools may choose to stream public events such as sports games, awards ceremonies or music concerts to the internet. As these events are public in nature, privacy legislation does not require the School Division to obtain parental consent to stream the event. The school will advise parents, however, when such events are being streamed to the internet.

Publication of Student Names

Students will only be identified by first name in any of publishing formats described above. In cases where a student is being recognized for a local, provincial and/or national award, both first and last names may be used.

Dear Parents/Guardians,

RE: Transportation for the 2025-26 School Year

Purchase Seats

Please note that at this time there will be no purchase seats for the 2025-26 school year.

 Your catchment school will update you after November 1, 2025 if an opportunity to apply for purchase seats becomes available, based on individual routes.

Applications for Transportation

- New bussed students and current bussed students <u>transitioning to a new level/school</u> must fill out the transportation form on the 2025-26 student registration form.
- Students who are <u>currently</u> on the bus in 2024-25 do not need to reapply for transportation on the 2025-26 registration form unless they are transitioning to a new school (ex. early to middle years, or middle to senior years).
 - Please notify your school office as soon as possible if there are changes to your bussing information for the new school year. Changes may take up to two weeks to come into effect.
- If your home address is not eligible for transportation but your daycare address is eligible, a fee for transportation will be applied.

To Be Met Designations

If you have chosen a "To Be Met" designation, please note that the below "To Be Met" guidelines are for the safety of our students.

- Your child must have an adult meet the child at the doors of the bus and identify themself to the driver (this should be the <u>same person</u> on a daily basis). If the child is being picked up by another adult, the school principal must be notified in writing before the child will be released. The adult picking up the student must provide ID to the driver as well. Give at least 2 days notice when submitting the request. Emergency circumstances can be a verbal notice to the school, who will then notify Transportation of the situation.
- The bus driver will not be taking verbal or written requests from parents.
- If the child is not met at the bus doors, they will be returned to the school.
- If you would like the "To Be Met" designation removed, please contact your school for the deletion paperwork.

Thank you for your continued cooperation.
