

# BRUCE MIDDLE SCHOOL

HOME OF THE BEARS!

## Connection to Community

Bruce Middle School sits on Treaty One territory, the traditional territory of the Anishinaabe, Ininewak, and Dakota peoples, and the homeland of the Red River Métis Nation.

Bruce has strong ties to the land around us and our surrounding community. We actively seek and create opportunities for our Bears to connect and give back to others, developing their citizenship and character skills.

## SJASD Philosophy of Middle Years

A Middle Years environment is based upon the needs and characteristics of the adolescent learner.

These characteristics must be recognized as being developmental and dynamic. Caring, trained professionals will meet the intellectual, physical, social and emotional needs of the middle years student by offering programs reflecting active learning strategies, integrated curricula, exploratory experiences and opportunities to nurture positive relationships with adults and peers.
