BRUCE MIDDLE SCHOOL CODE OF CONDUCT

In alignment with the Manitoba Education Provincial Code of Conduct and the St. James-Assiniboia School Division's Student Conduct policy (JK), **Bruce Middle School's goal is to provide a safe, secure and caring learning environment, which fosters students' personal growth, self-respect, and a sense of belonging which encourages them to be responsible citizens in the present and in the future.**

Bruce Middle School recognizes that disciplinary measures may be necessary when other approaches to challenging behaviour have not been successful. In these situations, interventions and disciplinary consequences may have to be implemented. Interventions and consequences are consistent with the *Provincial Code of Conduct* and take into consideration the frequency, severity of the unacceptable behaviour and the student's age and stage of development. Reasonable accommodations for students who have exceptional learning needs are considered. These accommodations take into account the student's ability to comply and the amount of support required.

Provincial Regulation: Appropriate Disciplinary Consequences in Schools states that the principal has disciplinary authority

- over the conduct of students while they are at school
- over students in terms of their conduct towards one another on their way to and from school, and while being transported via school bus
- to ensure appropriate use of social media and to address unacceptable student conduct including bullying, cyber bullying and abuse of a student by another
- to determine which consequence is appropriate in a given situation.

Principals will administer such discipline as might be exercised by a kind, firm and judicious parent. Discipline is administered with dignity and professional judgment in order to promote and maintain student self-respect, self-discipline and holds students accountable for unacceptable behaviour. Working to develop a safe and positive school climate is a shared responsibility that involves cooperation between the school and parents. Bruce Middle School will notify parents/guardians of situations involving their child in disciplinary situations. Parents are encouraged to contact the school any time they have a concern regarding a disciplinary matter.

Students/parents/guardians may choose to follow the appeal process. This involves an appeal to the staff member who made the disciplinary decision, then to the school principal if not resolved, then to the superintendent of schools if not resolved, and finally to the Board of Trustees. In cases of suspensions in excess of five days and expulsions, the appeal goes directly to the Board of Trustees.

All people on school property and/or engaged in school business must behave in a respectful manner and comply with the code of conduct.

Unacceptable behaviours include, but are not limited to the following:

- Bullying/cyber-bullying
- Social, physical, sexual, psychological, verbal or written abuse or aggression
- Harassment/discrimination
- Under the influence or in the possession of tobacco, drugs or alcohol
- Threats to self and others
- Gang involvement
- Possession of a weapon
- Possession or being under the influence of an illicit drug
- Inappropriate use of the internet and electronic devices/communication
- Clothing and accessories deemed inappropriate for school.
- Inappropriate use of skateboards and scooters*.

**(Under revised Section 2.12 of the Streets By law, #1481-77, students are allowed to ride their skateboard or scooter on the sidewalk.*

*Therefore, students will be allowed to ride their skateboard or scooter to school. Upon arrival at school, students are **not** allowed to use either **on the front school property**. Skateboards/scooters must be kept in a locker while at school.)*

At Bruce Middle School, we believe that mistakes are opportunities to learn, and our goal is to assist children to become the people they want to be.

Learning is a growth process for everyone involved, adults as well as children. We create the conditions for children to lift themselves out of failure and to leave behind blame and denial. A successful outcome allows a child to return to the group feeling strengthened.

Interventions and consequences may be applied as appropriate to the context, but they need not be applied in the order they appear in this document.

- Informal Discussion
- Parental Involvement
- School Counsellor/Resource Teacher
- Formal Interview
- Withdrawal from Classroom Setting
- Removal of Privileges
- Detention
- Compensation for Damages
- Behavioural/Performance Contract
- Student Services Involvement
- Outside Agency/Community Involvement
- Violence/Risk/Threat Assessment
- Police Notification
- Student Suspension
- Student Expulsion

The content of this Code of Conduct is reflective of the following sources:

- St. James-Assiniboia School Division Policy JK
- Manitoba Education: Safe and Caring Schools Provincial Code of Conduct – Appropriate Interventions and Disciplinary Consequences

As stated within the Provincial Code of Conduct, our code of conduct will be reviewed by October 31st annually with our parent community to ensure our actions are consistent with the needs of our community.

Expanded topics related to student's behavior can be found in the policy manual of the St. James-Assiniboia School Division website. See Divisional Policies at <https://www.sjasd.ca>

DRESS CODE

The St. James-Assiniboia School Division has a strong commitment to the learning process. There is a need to have a dress code at school to support the health and safety of all students, and ensure they are appropriately dressed for the learning environment. Students will be encouraged to dress and groom themselves in a manner appropriate to the learning environment and weather. Clothing needs to be suitable for the needs of specific programs, such as phys.ed. and practical arts classes. We support an individual's freedom to express themselves, as long as it does not interfere with the safety or overall well-being of others in the school community.

Inappropriate clothing during instructional hours, including any other school-sponsored activity, includes:

- outdoor jackets & clothing (must be kept in lockers)
- wearing hoodies with the hood up
- no head covering of any kind (except for religious coverings) during O'Canada or in the classroom when specifically requested by school staff
- any clothing that is too revealing in nature or shows undergarments
- shirts with offensive or suggestive words, pictures, or commentary, such as racism, homophobia, drug and alcohol references, gang affiliations, nudity, or sexually inappropriate content

Students who are in violation of this dress code will be asked to change into something more suitable. These rules may be reviewed and adjusted by staff for special events such as spirit week, and for safety reasons.

SNOWBALLS

Throwing snowballs is not permitted on the school grounds or to and from school. Many serious accidents can be avoided by refraining from this practice. Students will be warned, and consequences could lead to a suspension.

BICYCLES

Bicycles may be parked in the **bike cage located on the north side of the building at the back of the school.** Please use a secure locking system. The school is *not responsible* for any damage or theft and bicycles are left in the racks at your own risk.

SCHOOL PROPERTY:

Students will be financially responsible for lost or damaged school property. This includes library books, textbooks, school uniforms, locks, etc. Please make every effort to take good care of your books and other school materials.
