Collège Sturgeon Heights Collegiate is excited to invite you to our second annual “**Student Success Expo**” on Thursday, January 15 from 4:00 – 7:00 pm.

This school-wide event by the students and for the students, aims to celebrate the amazing things our Huskies do every day. The Student Success Expo is a combination of an exposition, a convention, a Science Fair, and a mini competition. Students have the opportunity to showcase the work they have done during the first semester of the year.

The experience will give guests the opportunity to visit the stations and displays, ask questions, and participate in some great activities!
