Dear students, parents, and guardians,

As we are preparing for the suspension of in-class learning starting next Monday, March 23, I wanted to reach out and share with you how I plan to connect with the students in my classes during these next few weeks.

For the most part, I would like to use Showbie, an online teaching and learning platform, to share information and continue the learning we have been working on in class. Please see the end of this note for your son/ daughter's class access code and instructions on how to access information and learning resources for the class(es) I teach them for. If you are able, please check Showbie regularly for new assignments, videos, and feedback. All work completed can also be submitted on Showbie.

In addition to the information I will share on Showbie, I will also be sending home several non-digital assignments and suggestions for at-home learning that students can work on throughout these few weeks. Please expect a small package by the end of the week.

If you have any questions about any of the work or assignments, or you need help, please feel free to send me an email at alina.wilson@sjasd.ca and I would be happy to help!

Stay healthy, and don't hesitate to reach out if you have any questions or need any assistance.

Sincerely,

Ms. A. Wilson

How to sign up for Showbie:

1. Go to www.showbie.com, or download the free Showbie app from the App Store or Google Play store.
2. If you **do not** have an account, you will need to click "Sign Up For Free", "I'm a Student", "Sign Up With Username", then fill in all fields.
3. If you **have** an account, sign in normally.
4. Showbie will now prompt you to "Join a Class".
5. If I teach your son/ daughter...
 - o Grade 6 ELA and Social Studies, enter the code 2KE2U.
 - o Grade 6 Science, enter the code 8HU5Z.
 - o Grade 8 Science, enter the code UVEYM.

Note: If I teach your son/ daughter more than one class, please join both of the classes I teach them.
