Hedges Families,

Hedges Middle School will be hosting a **virtual student-led portfolio evening** via Microsoft TEAMS on Thursday, **March 11<sup>th</sup> from 4-6:30pm**. The purpose of the evening is to celebrate learning and provide time for your child to share with you their areas of strength, challenges, and next steps in their learning.

We ask that you book an appointment to connect with a teacher through our Conference Manager (information included). **Families may sign up for one meeting with a teacher that they would like to connect with that evening as times are limited.** Meeting times are 10 minutes in length. Your child's teacher will then share an invite for a TEAMS meeting at your designated time. The invite will be sent to your child's student email account. On Thursday, March 11, you and your child will need to login to TEAMS for your scheduled time. Please be respectful of the time allotted as we hope to connect with as many families as possible.

If you or your child do not receive your TEAMS invite by **4pm, Wednesday, March 10<sup>th</sup>,** **please contact the teacher you booked your appointment with to obtain a new invite.**

Take care, stay safe.
