THE HAWK

Learning and Soaring Together

October 2026

Hello Heritage Families!

We have had a fabulous full month of learning! We have spent time re-connecting and learning about our new classroom friends and we have also spent lots of time learning in and around our community. As we settle in, our focus turns to literacy, numeracy, a new Science curriculum and continuing to build our community of learners.
In October, our grade 1, 2 and 3 students will be screened with a screener called Acadience. This initiative is part of a provincial requirement for Manitoba schools to implement evidence-based early reading screening. A separate letter with more information will come home to families with students in these grades.

We are holding a Parent Advisory Council meeting on Tuesday, October 6th at 6:15 pm in our school library. In order to nominate and vote in a Parent Council, we need 12 people to attend. Please come out to learn about the role of a Parent Council and help us to ensure that we have a Parent Council this year! We need you!

Enjoy the beauty of the changing seasons!
Terri Warner

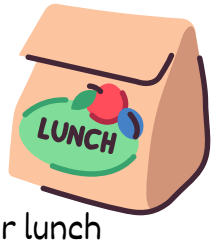

Lunch Supervisors Needed

Do you have some time to spare during your day? We are looking for supervisors for our lunch program. The lunch program runs from 11:30-12:30 and supervision takes place in the classroom and outside on the playground. This is a paid position. If you are interested, please call the office!

Hawk Gear

The store for our HAWK gear will be opening later this month. Stay tuned for more information!

Proud to be a **H.A.W.K**

Help and include others

Act safely in all areas of the school

Work hard and try your best

Keep it kind in what you say and do
