

Hi Heritage Families,

Important reminder regarding the parking lot.. the weather is getting colder and the snow is arriving.

Our parking lot can become very icy and we are again asking for your co-operation for following the parking lot rules.

Please do **not** park in the red zone. This includes not parking along side the staff parking spots, in the staff parking stalls or doing U-turns right at the start of the lot. This causes too much congestion trying to get into the lot. With the icy weather we want to keep the parking lot moving as smooth and safe as possible for parents, students and staff walking. Please use the designated 15 min drop off spots. You can walk along side of building to use the front doors to enter and after drop off exit out the back to your vehicles.

As well,

Wednesday we are going to wear blue and gold to show our support for the Winnipeg Blue Bombers!

Remembrance Day Assembly on Thursday 10:55am. All are welcome to attend. If you want to send a donation for poppies much appreciated.

Friday there is no school.

Thank you!
