PARENT/GUARDIAN CONSENT FOR PARTICIPATION IN SMUDGING AT SCHOOL

IMDE-E-2

Your child may be invited to participate in smudging at school throughout the school year.

As an inclusive and culturally responsive school, we are welcoming all students to learn about First Nations, Métis, and Inuit traditions.

Smudging is an Indigenous tradition that involves the burning of traditional medicines. Smudging allows people to become mindful and centered, better able to hear, see, think, speak, and act in a good way. Participation is always voluntary. It is done in a designated area on school grounds and is approved by the Division's Workplace Health and Safety Officer to ensure that there is proper ventilation. More information about smudging is available by contacting the school. To participate in smudging, this consent form must be completed and returned to the classroom teacher.

I grant _____ permission to:

(Student's Name)

- ☐ Participate in smudging at the school.
- ☐ Only observe smudging at school.
- ☐ Leave the room during the smudging event.

STUDENT PRESENCE AND ENGAGEMENT AND STUDENT CONDUCT POLICIES

All students and parents are responsible for ensuring that they are familiar with and comply with the Schools' Student Presence and Engagement and Student Conduct Policies. Copies of the policies are available in the school office and will be distributed at the beginning of the year.

FAMILY LIFE (Potentially Sensitive Content)

IHA-E-2

The Physical Education/Health Education curriculum is mandated by Manitoba Education. Content related to substance use and abuse, personal safety and human sexuality is considered potentially sensitive.

Potentially sensitive content must be treated in ways that are appropriate for the local school and community context. Manitoba Education recognizes that the prime responsibility for education about issues of sexuality, including healthy relationships, consent and sexually transmitted and blood borne infections, rests with the family. It is clear to parents, teachers, and community health leaders that young people must have knowledge, skills, guidance and support if they are to make responsible and health and wellness enhancing decisions.

In accordance with this, the option is available for parents of students at all grade levels to decide whether the student should receive school-based delivery of potentially sensitive content, or delivery in an alternative setting of their choosing. Parents will be notified of the start date and topics to be covered prior to the program delivery.

- ☐ **Yes**, I give my child permission to **receive school-based delivery** of the potentially sensitive content as outlined in the Physical Education/Health Education Curriculum.
- ☐ **No**, I prefer that my child receive delivery of the potentially sensitive content as outlined in the Physical Education/Health Education Curriculum **in an alternative setting**. I understand that I am responsible for ensuring the delivery of the potentially sensitive content. Resources and curriculum materials are available through your school or on the Manitoba Education website at <http://www.edu.gov.mb.ca/k12/cur/physhlth/resources.html>

Students should consider whether they wish to keep items of a private nature in the locker.

Both parent/guardian and student must sign the Parent/Guardian and Student Consent for Search form at the time of registration in accordance with Policy JIHA, JIHA-R (Search of Student Desks, Lockers, Storage Areas, Student Effects and Student Driven Vehicles).

PRINT & DIGITAL MEDIA RELEASE FORM

IJNDC-E-1

The St. James-Assiniboia School Division recognizes that print media, digital media and the internet provide an ideal means to showcase, celebrate and promote school and Divisional activities and share student work with other students, parents/guardians, staff and the global community.

At the same time, however, the Division remains committed to protecting the privacy and safety of all students. For this reason, the Division has established a protocol for the publication, broadcast and distribution of print and digital media under regulation IJNDBA-R and policy IJNDBA.

School Division managed/sanctioned online sites are defined as:

- the Division website;
- school websites;
- teacher websites;
- teacher blogs;
- School Division sanctioned social media tools (as defined in policy GBEE);
- School-wide moderated public social media networks (as defined in policy GBEE).

NOTE: At times, schools may choose to stream public events such as sports games, awards ceremonies or music concerts to the internet. The school will advise parents, however, when such events are being streamed to the internet.

Publication of Student Names

Students will only be identified by first name in any of publishing formats described above. In cases where a student is being recognized for a local, provincial and/or national award, both first and last names may be used.

Dear St. James-Assiniboia School Division Families;

Re: Indigenous Identity Declaration

The Province of Manitoba requests that school divisions give First Nations, Metis, and Inuit students an opportunity to declare their cultural identity. The Indigenous Identity Declaration (I.I.D.) collects information about the ancestral/cultural background of Indigenous students. Accurate data is essential in improving the programming in St. James–Assiniboia School Division, and helps us in supporting student success.

The form includes an opportunity for parents to indicate if they are declaring their child for the first time, whether they want to alter or edit a child's previously declared identity, or whether they are simply confirming that a previous declaration has been made.

Declaring your Indigenous Identity is always voluntary, and it can be completed at any point during your child's educational journey.

If you are interested in declaring your child's Indigenous identity, please complete the registration form and return it to your school's office as soon as possible. If you can't remember if you have declared in the past, please feel free to do it again to ensure your family is included.

For more information, please visit http://www.edu.gov.mb.ca/iee/aid/q_a.pdf or <http://www.edu.gov.mb.ca/iee/aid/brochure.pdf>

Thank you in advance for your support!

Declare your child's **Indigenous Identity**

Questions and Answers for Parents and Guardians

1. What is Indigenous Identity Declaration?

Indigenous Identity Declaration (IID) is an opportunity for parents/guardians of Indigenous students to declare their child's Indigenous identity within Manitoba's Kindergarten-Grade 12 provincial school system usually at time of registration. IID information received from parents/guardians is entered into a database by the school office and is then reported yearly to the Department of Manitoba Education and Training.

2. Why are Indigenous students being asked to declare their ancestral/cultural background?

IID helps direct resources to Indigenous students to help them succeed. Manitoba Education and Training is committed to supporting the academic success of Indigenous students. Your declaration helps school divisions enhance services and supports for Indigenous students. By declaring, your child (children) receives the appropriate support and programming they may need.

3. Statistics Canada collects this information. Why are parents/guardians being asked to provide information to the school?

Aboriginal identity refers to whether the person reported identifying with the Aboriginal peoples of Canada. This includes those who reported being an Aboriginal person, that is, First Nations (North American Indian), Métis or Inuk (Inuit) and/or those who reported Registered or Treaty Indian status, that is registered under the Indian Act of Canada, and/or those who reported membership in a First Nation or Indian band. Aboriginal peoples of Canada are defined in the Constitution Act, 1982, Section 35 (2) as including the Indian, Inuit and Métis peoples of Canada. The key data sources for statistics on Aboriginal people comes from the Census, which collects information on the language spoken at home, mother tongue and knowledge of language

IID provides accurate and detailed school level information and is recorded by schools and reported yearly to Manitoba Education and Training. Additionally, this information is combined to give a school division and provincial summary. Information collected through IID is protected under *The Freedom of Information and Protection of Privacy Act (FIPPA)*.

4. I'm a First Nation member and my partner is Métis. Which box do we check?

For families that have multiple ancestral/cultural elements, choose what is most relevant for your family. For more detail, please see the IID identifier descriptions provided on the website at www.edu.gov.mb.ca/aed/abidentity.html.

5. I know I'm Indigenous but I don't speak any Indigenous languages. Do I still check any boxes?

YES. The linguistic identifiers refer to ancestral/cultural identity, NOT your ability to speak a specific Indigenous language. Select the identifier(s) that best reflect your identity. If you are still unsure what to choose, you can check the "Other" linguistic category, and write "uncertain" in the space provided.

6. My child is adopted and Indigenous, while our family is not Indigenous. Which box do I check?

Check the box most appropriate for your child's Indigenous identity. For more details, please see the IID descriptions provided or visit edu.gov.mb.ca/aed/abidentity.html.

7. I moved to Manitoba from another province and my language/culture identifier is not on the IID list. Which box do I check?

As the list of languages spoken by Indigenous people in North America is quite large, the IID uses the majority of the languages spoken in Manitoba. If your language is not listed, please check the box labelled "Other". Then you may indicate the language(s) spoken in the space provided (if known, write the language, or if unknown, write "uncertain").

8. There are so many languages to choose from and my language choice is spelled differently than I remember it being spelled. Are they likely the same?

Yes. They can be considered the same for the purposes of the IID. There are many different ways of spelling the major language groups. As an example, the word Ojibwe can be spelled, Ojibway and Ojibwa. The same can be said of Inuktituq. It can also be spelled as Inuktitut. Both are considered to be the language spoken by the Inuit people.

9. I've already declared my child a couple of years ago. Do I need to declare my child every year?

No. If you have declared your child in the past, you won't need to declare your child every year.

The school office will provide IID information to parents/guardians every year as Indigenous identity is not assumed. Also, sometimes the information parents/guardians provide the school may need to be updated, such as if a child is new to the provincial school system, or if changes were made to the list of IID identifiers. If your child is new to the provincial school system, or if you need to make a change to the declaration you had previously provided for your child, then a declaration form can be obtained from your child's school office at any time.

10. We've moved to a different school in a different school division. Do I need to declare my child again?

No. If parents/guardians have declared their child's Indigenous identity in the past, the declaration information will remain in the database throughout the child's education in the Manitoba K-12 provincial school system.

11. I've registered and/or they know my Indigenous identity at a First Nations school. Do I still need to identify at a provincial school?

Yes. Your Indigenous identity may not be provided by the First Nations school where you attended. We are asking that you please self-identify when registering at a provincial school.

12. Will my band lose funding for schools in my home community if I self declare my child in a Manitoba public school?

By self declaring your child or children your home band or community will not lose any funds. Public school funding and federal schools funding is not connected or related in any way to self declaring your child or children and will not result in any loss of funds.

The adult picking up the student must provide ID to the driver as well. Give at least 2 days notice when submitting the request. Emergency circumstances can be a verbal notice to the school, who will then notify Transportation of the situation.

THIS FORM MUST BE READ AND SIGNED BY EVERY STUDENT WHO WISHES TO PARTICIPATE AND BY A PARENT OR GUARDIAN OF A PARTICIPATING STUDENT.

Elements of Risk:

Following are examples of the types of injuries possible when participating in the above activity. There may also be risk of other types of injury.

1. _____

2. _____

3. _____

The risk of sustaining injuries results from the nature of the activity and may occur without fault of either the student or the School Board, its employees, or the facility where the activity is taking place. By choosing to take part in this activity, you are accepting the risk that you/your child may be injured. By signing this consent form you indicate that you understand that your child is participating in an activity with the associated risks as outlined above.

The chance of an injury occurring can be reduced by carefully following instructions at all times while engaged in the activity.

The School Board provides the Universal Student Accident Insurance program which ensures coverage for all students while at school, involved in school activities on or away from the school premises and while traveling to or from school or a school activity (in province only). This insurance does not, however, replace voluntary student accident insurance. Parents may want to consider additional student accident insurance. e.g. Voluntary Reliable Life Student Accident Insurance which would complement and not replace the Universal Student Accident Insurance.

The School and Division do not assume any financial responsibility in the event that students are stranded or delayed due to events and circumstances beyond the control of the school division. The School and Division also do not assume any financial responsibility in the event that a field trip is postponed or cancelled. The School and Division strongly recommend parents purchase trip cancellation insurance.

For field trips outside Manitoba, students must be covered by additional extended health coverage (dental and ambulance transportation) along with travel health insurance.

Do you have a child entering Kindergarten? IF SO, LITERACY LINKS IS FOR YOU. 😊

Literacy Links is a FREE summer literacy program in the St. James-Assiniboia School Division that supports parents in understanding how to develop a positive literacy and numeracy environment in the home setting. Children will be engaged in a wide variety of play-based and enriching learning experiences during the Literacy Links sessions.

A literacy facilitator will demonstrate and provide hands-on activities which support early literacy and numeracy development, build fine motor skills, and create a strong connection between home and school.

Children will receive a series of six virtual sessions using Microsoft Teams with their Literacy Links Facilitator. A home package of play-based materials will be dropped off for children to engage with on the other side of the screen. Feedback from parents has been extremely positive:

"The virtual model Literacy Links created was impressive and gave us so many ideas to incorporate learning into our day. My child was so excited for his sessions and has learned so much."

"Being able to complete the program virtually was convenient and very engaging! My child loved the one-on-one time."

"The sessions were very interactive and touched on core developmental areas for a wonderful introduction to the school system!"

To register, complete the registration form at sjasd.ca/Programs/LiteracyLinks and email it to literacylinks@sjasd.ca. Please direct inquiries to literacylinks@sjasd.ca.

Dear Parents/Legal Guardians,

Vaccines have been shown to be a safe and effective way of protecting children from diseases. It can also protect other persons who cannot be immunized due to certain health conditions. It is thus very important to make sure that your child is up to date with their immunizations.

We strongly recommend that children between 4 and 6 years of age receive the following immunizations:

Vaccine name	
Measles, mumps, rubella and varicella vaccine (MMRV vaccine)	Preschool
Diphtheria, tetanus, pertussis and polio vaccine (DTaP-IPV vaccine)	Preschool

Please check your child's immunization records to see if your child is up to date. You can visit the Manitoba Health website to know more about routine immunizations for infants and children (<https://www.gov.mb.ca/health/publichealth/cdc/div/schedules.html>). You can also discuss this with your primary care provider.

If your child needs immunizations, your primary care provider (family physician or pediatrician), a walk-in doctor, a nurse practitioner or a public health nurse can provide them.

If you do not have a copy of your child's immunization record, you can call the WRHA immunization records request line at **(204) 938-5347**.

If you are new to Manitoba, you can provide a copy of your child's immunization records to your local public health office. These records will be entered in the Manitoba immunization registry.

If you have questions or do not have access to a health care provider to immunize your child, please call your local public health office at **204 940-2388**.

Sincerely,

St. James & Assiniboine South Public Health Nurses

Hearing Screening

The St. James-Assiniboia School Division has a Hearing Screening Program for kindergarten and grade one students within the Division. The school student service team will administer the screening.

The screening program consists of determining whether the student can hear specific sound frequencies or tones. The program also screens for possible middle ear problems.

Children who are identified as "at risk" in the Hearing Screening will be referred to Access Winnipeg West Hearing Centre who will follow up and contact parents, if a need exists. If you hear nothing from the school or the audiologist, we did **not** find a problem with your child's hearing.

Vision Screening

The St. James-Assiniboia School Division supports the Eye See...Eye Learn Program. **Eye See...Eye Learn®** is based on research that confirms the importance of vision and eye health on students' success in learning. Children may not reach their full potential if they can't see the board clearly, focus on a picture, or follow words in a book. As well, early diagnosis can prevent future or more complex vision problems.

St. James-Assiniboia School Division recognizes the important link between eye health and learning and recommends comprehensive eye health examinations for all children entering kindergarten. Information will be provided at opening day conferences.

Heritage School Student Led Conference Manager

We use this for September Meet the Teacher.

At Heritage School, Student Led Conferences are a key part of our communication strategy regarding your child's progress. Please plan on booking and attending a Student Led Conference with the applicable teacher for each child you have attending the school.

We are using a web-based scheduling application called the *Heritage School Conference Manager*. This application allows you, as a parent, to use the Internet to check our teachers' conference schedules and book appointments quickly and easy.

If you didn't already register yourself in the program for past conferences, you will be required to register and create a parent account, which only takes a minute or two. You can continue to use the same account for the duration of the time you have children in the school, so **please record your password where you can reference it later.**

You may want to register right away. All registered users receive a reminder email when conference scheduling commences. If your email program flags automated emails as junk mail, you may want to put "appointments@schoolsoft.ca" in your email address book.

Go to our school's website <https://www.sjasd.ca/school/heritage/pages/default.aspx>. Under the Parents & Community heading, select Conference Manager and click on the blue Conference Manager to take you to the Student Led Conference Registration website.

1. ****first time users only**.**

Register for a parent account. To register click the REGISTER NOW button and complete the registration page. This email restates your user name and password and is a good email to retain, as you will use the same email and password when booking future rounds of Conferences. If you forget your password you can reset it using the FORGOT PASSWORD link under the login button.

2. **Click the BOOK NOW button. Select conference date in the date drop-down that appears and then select the teacher(s) you wish to meet with and click the NEXT button.** To coordinate bookings involving multiple teachers, select all the teachers applicable to your child(ren) who you wish to meet with.

3. **Click on an available time slot for each teacher you selected and complete the booking form that appears.** You should see the booking appear in the summary list on the right hand side of the screen. A confirmation email is sent for each booking you made or subsequently cancel. You will also receive a reminder and conference itinerary by email. When booking your conference times, you will notice that the time slots are 10 minutes in length. During your 10 minute time slot, you will have the opportunity to meet with your child's teacher.

4. **Confirm your appointments have been booked by looking at the "CURRENTLY BOOKED CONFERENCES" box on the right of the screen or click on the MY CONFERENCES tab.** Only appointments that appear in the CURRENTLY BOOKED CONFERENCES box or on the MY CONFERENCES page are confirmed bookings. You may print this list when you are finished booking all appointments. **When finished booking, click the log off button located at the top right of the browser window.** You will have the opportunity to provide feedback regarding the use of the Conference Manager to the school administration through a user survey before completely exiting. We appreciate you completing the survey as this helps guide our decision-making regarding how conferences are booked in the future.

We greatly appreciate parents booking their own appointments. If after following these steps you are still unable to book your own appointment, please call the school office 204-837-1394.

Thank you.

Dear Parents/Guardians,

At the St. James-Assiniboia School Division, one of our greatest priorities is ensuring that all our students arrive safely at school each and every school day.

To enhance our existing absence-checking procedure, we are introducing a new, student absence reporting system called **SafeArrival**. This new system will reduce the time it takes to verify student attendance, make it easy for you to report your child's absence and easier for staff to respond to unexplained student absences.

With **SafeArrival**, you are asked to report your child's absence in advance using any of these 3 convenient methods:

1. Using your mobile device, download and install the **SchoolMessenger** app from the Apple App Store or the Google Play Store (or from the links at <https://go.schoolmessenger.ca>). The first time you use the app, select **Sign Up** to create your account. Select **Attendance** then **Report an Absence**.
2. Use the SafeArrival website, <https://go.schoolmessenger.ca>. The first time you use the website, select **Sign Up** to create your account. Select **Attendance** then **Report an Absence**.
3. Call the toll-free number **1-844-434-8116** to report an absence using the automated phone system.

These options are available 24 hours/day, 7 days a week. Future absences can be reported at any time.

In addition, we will use the **SchoolMessenger Communicate** automated notification system to contact parents whose child is absent *when the absence was not reported in advance*. The automated notification system will attempt to contact parents at multiple contact points until a reason is submitted for the absence. If our system is unable to reach the designated contacts, office staff will follow up.

If you report your child's absence in advance using the **SafeArrival** toll-free number, website or mobile app, you will NOT receive these notifications.

Please report absences in advance using **SafeArrival** instead of sending notes or calling/emailing the school.

If you have children attending other schools, please continue to report absences using the existing procedures for those schools.

Thank you for your patience and cooperation as we implement this new system.

Ms. Banks, Principal

The St. James-Assiniboia School Division No. 2
Great Schools for Growing and Learning

WHAT IS SAFE ARRIVAL?

SafeArrival is an absence management system that improves student safety and makes it easy for you to let the school know about your child's absence.

You are asked to report your child's absence in advance whenever possible using one of these convenient methods:

SchoolMessenger app (free)

1. Provide your email address to the school.
2. Get the app from the Apple App Store or the Google Play Store (or from the links at <https://go.schoolmessenger.ca>).
3. Tap **Sign Up** to create your account.
4. Select **Attendance** from the menu, and then select **Report an Absence**.

Web and Mobile Web: go.schoolmessenger.ca

1. Provide your email address to the school.
2. Go to the website.
3. Click **Sign Up** to create your account.
4. Select **Attendance** from the menu, then select **Report an Absence**

Interactive Toll-free Phone: 1-844-434-8116

1. Call the toll-free, interactive telephone system.
2. Follow the instructions to report an absence.

Absences can be reported in advance:

- 24 hours/day
- 7 days a week
- For any school day in the school term
- Up to the cut-off time on the day of the absence.

Whenever an absence is reported or updated, you will receive a confirmation notice by email and/or text message (assuming you have provided your contact information to the school).

If you don't report your child's absence in advance, the automated notification system will try to contact you (using the communication preferences if you have set them up in the SchoolMessenger app). You will be asked to provide the reason for your child's absence immediately. You may do so using the phone line, website or mobile app.

If an absence is not explained within approximately 20 minutes of the time that the school starts the notification process, school staff will follow-up to make sure that your child is safe. If you try to explain an absence using SafeArrival, but are then told that it is past the cut-off time, please contact the school directly.

If you don't want to receive notifications when your child is absent, be sure to report your child's absence in advance.

If you do receive notifications of your child's absence, be sure to provide the reason as quickly as possible, using one of the 3 methods listed above or during the phone call notification itself.
