SAFE GRAD

- Safe Grad is a parent-organized celebration held immediately after the grad dinner and dance.
- The primary goal is to provide a safe, enjoyable environment for graduates to celebrate their achievements without the risks associated with unsupervised parties.
- Organized and hosted by Safe Grad Parent Group
(not school-related event)

The word "GRAD" is written in large, gold, metallic-looking balloons. The balloons are slightly deflated and have some creases. Surrounding the balloons are many small, gold, rectangular confetti pieces scattered across the black background.
