

THE PIPER PRIDE

celebrating our pipers, connecting to our community

APRIL

REMINDERS

In prioritizing student safety, and allowing access for our buses, **please do not enter the staff parking lot between 8am-9am.**

Please use the designated safe drop zones on Hamilton and Knox. **We appreciate your partnership in keeping our students safe and our buses accessible.**

Cell phones are only permitted before school, during lunch, and after school. If you need to contact your child for an urgent matter, please contact the office. Our team is prioritizing your child's learning that is free from distractions. Thank you for your support in your child's success.

Hello, Piper Families!

As we move further into spring, we continue to feel incredibly grateful for the time, energy, and care that our staff put into activities, planning, and programming for our students. From classroom learning to extracurricular opportunities, field trips, special events, and hands-on experiences, so much work happens behind the scenes to ensure students feel connected, engaged, and part of something meaningful. It has been wonderful to see our students embrace these opportunities with such positive, Piper energy!

This time of year always brings a mix of reflection and anticipation. While we are beginning to savour the many moments and accomplishments from this school year, we are also already looking ahead and making plans for next year. Conversations around staffing, programming, and new opportunities are underway as we continue working to provide the best possible experiences for our students and school community.

As we enter the final stretch of the school year, this is also an important reminder for students to stay focused on their learning and continue working hard toward credit attainment. Attendance, assignment completion, and consistent effort remain essential in ensuring students finish the year successfully and keep future opportunities open for themselves.

Thank you, as always, for your continued support, encouragement, and partnership. We are proud of all that our students have accomplished this year and look forward to finishing the school year strong together.

As we head into MAY-hem, our calendar is full of activities and events so please remind your children to stay connected to our school announcements and Instagram accounts!

Mr. Lister, Mr. Braun & Mrs. Cantafio
