

Every June, our community comes together to support children living with disabilities.

Mark it in your calendar to join us!

On Sunday, June 12,

Cruisin' Down the Crescent returns.

## Register and Start Fundraising Today!

You can walk, jog, or bike down beautiful Wellington Crescent in support of the Children's Rehabilitation Foundation. Or participate virtually if you prefer.

All funds raised will help Manitoba children living with disabilities gain independence through specialized equipment and adapted recreation programs.
