Dear Parent/ Guardian,

The Future Now Career Expo is being held at Red River Exhibition Park on April 28th and April 29th between 9:00 am -2:00 pm. This is Manitoba's largest interactive career and education Expo, bringing together over 100 exhibitors to help you and your student explore various career paths and educational opportunities.

Students in **grade 10, 11 and/or 12 student(s)** are invited to attend this event on **Wednesday April 29, 2026**. Students can attend for short or long periods of time depending on their schedule and what parents deem to be acceptable time away from class. A staff member will be onsite at the event to assist students if they have any questions. Historically we have found that an hour- to an hour to an-hour-and-a-half, was adequate time for most students to explore the various information booths and displays at the event. John Taylor Collegiate has 150 tickets to be given out to students on a first-come-first-serve basis. Parents may request additional free tickets on the event website if required.

Parents are responsible for arranging transportation for their child to attend this event and excusing them from the periods they will miss. Please note that a free community shuttle bus service is available if needed. This free shuttle service can be accessed from Unicity Tim Hortons (3649 Portage Avenue) to attend the Future Now Expo. Shuttle busses leave every 15 minutes and service begins 30 minutes prior to the event. Free parking is also available and can be accessed via Gate 2 off Race Track Road. Please see the parking map and additional event information at: futurenowexpo.ca

Please complete and return the permission slip below to acknowledge that your student will be attending this event, so that a entrance ticket can be provided.
