

John Taylor Collegiate

Grade 9 Student Supply List

The following list of supplies is given as a **guide** for purchase prior to the start of the school year. Certain other specific supplies are not included, but may be suggested during the course of the year. Some of these supplies may require replacement as they are consumed.

- 1 Calculator (Scientific)
- 4 3-ring binders (each with a package of dividers)
- 3 pkg Loose leaf paper refills (lined)
- 1 30 cm metric ruler
- Blue, red ballpoint pens
- Pencils, erasers
- 1 pkg Coloured pencils
- 1 pkg Metric graph paper (Math)
- 1 French/English Dictionary (if applicable)
- 3 Highlighters
- Water bottle
- Backpack

ART

There is an Art Class fee of \$25.00. This includes all of the supplies students will need for the year.

BAND

Band students who play flute, clarinet or trumpet should rent an instrument from a store such as Long & McQuade or St John's Music. All other instruments can be rented through the school division for \$120.00 per year. This payment is now made online. Go to the John Taylor Website and click on **School Cash Online**. If anyone has financial concerns, please do not hesitate to contact Mr. Hamilton directly at shamilton@sjasd.ca or at 204-888-8930. If you are under financial strain, we can work things out so that your son or daughter will be able to participate. This will not be a hindrance to your child participating in the JT music programs.

DANCE

All students enrolled in the dance program require black jazz shoes (these can be purchased from a list of stores provided by the teacher, or can be borrowed from the school) and close-fitting athletic clothing to wear to class daily.

PHYSICAL EDUCATION

The following clothing is required: gym shorts (not cut-offs) and t-shirt (not tank top), or sweatpants and sweatshirt, non-marking, clean runningshoes.

GRAPHIC TECHNOLOGY

A supply fee of \$15.00 may be assigned by the teacher, dependent upon the projects assigned for the semester.
