Ordering Pictures just got Easier!

Use your child's student number to look up your images.

HERE'S HOW:

Go to my.lifetouch.ca and click on the 'Start Using Student ID' button.

A screenshot of the Lifetouch website. The top section has the heading "Ordering your pictures just got easier!" and a "Start Using Student ID" button. A blue arrow points from this button to a second screenshot below. The second screenshot shows a form titled "Let's start by finding your school." with fields for "School City" (Guelph), "Province" (Ontario), and "School Name" (Westwood Public School). A blue arrow points from the "School Name" field to the text "Enter the school information and select it from the menu below".

Fill out the student information on the next page including the student number. Press 'Find Student'.

A screenshot of the Lifetouch website showing the "Find Student" form. The form is titled "Now that we know your school, let's find your student." and includes fields for "Student's First Name", "Student's Last Name", "Enter your School Student ID", and "Relationship to Student". A "Find Student" button is at the bottom. A blue arrow points from the text "Fill out the student information on the next page including the student number. Press 'Find Student'." to this form.
