

HEY JT!

With 560 students, several school buses, and lots of morning and afternoon traffic, things can get pretty busy around JT!

To help keep everyone safe and traffic moving smoothly, we're asking families to **please drop off and pick up students on Hamilton Avenue or Knox Street, using the Safe Drop-Off / Pick-Up Zones** shown in green on the map below.

Please do not enter the staff parking lot (highlighted in red) from 8am-9am or 3-4pm.

Stopping in these areas, even for a few seconds, can put our students at risk, and impact safe accessibility as it adds to congestion.

Your cooperation also makes it easier for our bus drivers to manage traffic while loading and unloading bus students safely. On behalf of the school, and our students, thank you for your understanding, assistance and keeping our Pipers safe!
Keep it safe. Keep it moving. Go Pipers!
