

# THE PIPER PRIDE

*celebrating our pipers, connecting to our community*

JUNE

## *Hello, Piper Families!*

As another incredible school year comes to a close, we want to take a moment to thank our entire John Taylor Collegiate community for making this such a memorable year!

Every day, our halls are filled with Piper Pride—a pride that is reflected in the kindness, resilience, achievements, and spirit of our students, and in the dedication, passion, and care shown by our incredible staff. Together, they make John Taylor a place where students are challenged to grow, encouraged to belong, and inspired to discover their potential. It is truly a special place to learn, work, and celebrate success. To our families, thank you for your ongoing partnership and support throughout the year. Your encouragement, communication, and trust allow us to work together in helping every student thrive.

To the Class of 2026, congratulations once again! As you head into your next chapter—whether it's post-secondary education, apprenticeships, careers, travel, or new adventures—know that you will always be part of the Piper family. We are incredibly proud of all you have accomplished and cannot wait to see the amazing things you will do. Remember that John Taylor will always be a place you can call home, and we hope you'll come back to share your stories and successes with us.

As we close the year, we also extend our heartfelt thanks to the staff members who are moving on to new opportunities. Thank you for the care, commitment, and positive impact you have had on our students and school community:

Mr. Braun will be returning to Manitoba Education on secondment, to support the implementation of the new science and math curriculum. Thank you for your humour, humility and contributions to our Piper Family – we will miss you!

Ms. Roberts will be moving onto a new adventure in Kindergarten in the Louis Riel School Division – thank you for your creative and kind energy you have brought these last 18 months!

Mr. Bruce will be moving onto the Pembina Trails School Division as their new Phys. Ed Consultant leading divisional Physical Education and wellness initiatives while supporting schools, teachers, and students across the division. Our HUGE loss.....is Pembina Trails' gain!

This fall we will be welcoming our new Vice Principal, Mrs. Poiron, and new teachers Mrs. Arsenault (Foods/Nutrition) and Mr. Amason (PE/Math/Geo).

As summer begins, we hope every member of our school community has the opportunity to slow down, recharge, spend time with loved ones, and enjoy a well-deserved break. We look forward to welcoming everyone back in the fall for another year filled with learning, growth, connection, and, of course.....plenty of Piper Pride.

Have a safe, relaxing, and wonderful summer!

With gratitude,

***Mr. Lister, Mr. Braun & Mrs. Cantafio***
