## Hello, Piper Families!

We can't believe how quickly this year has gone by! It wasn't too long ago that we all ventured into the new school year with all our hopes and aspirations for a successful year. Throughout the year we have all experienced learning, growth, connection and most importantly - community. Whether it was in the classroom, on the stage, in the gym, or out in the community, our students, staff, and families showed up with dedication, heart, and plenty of Piper Pride!

We are incredibly proud of all that has been accomplished. From academic achievements and artistic expression to athletic excellence and acts of kindness, there is so much to celebrate. We've seen students challenge themselves, support one another, and grow into confident, compassionate individuals. Our staff continued to lead with care and commitment, creating a positive and engaging environment each day for our students to learn and grow from.

To our families—thank you for your ongoing support and partnership. To our students—thank you for your curiosity, joy, kindness and hard work. And to our staff—thank you for your unwavering dedication to our Pipers both in and out of the classroom.

To our graduates that we have to say farewell to - we are so incredibly proud of your accomplishments and are bursting with excitement as we watch you cross that stage next week.

As we head into the summer months, we wish everyone rest, joy, and time to recharge by doing the things you love.

We look forward to welcoming you back in the fall, ready for another year of showcasing all your PIPER PRIDE!

With heartfelt thanks,

*Mr. Lister, Mrs. Edwards & Mrs. Cantafio*
