## Hello, Piper Families!

We want to take a moment to reflect on the incredible work and energy that has shaped our school community over the last few weeks. There's so much to be proud of, and it's clear that together, we continue to build a place where everyone is committed to being active, involved, and passionate members of our community. **Our Piper community has been nothing short of incredible this month.** The commitment to teamwork, perseverance through challenges, and the drive to improve have been on full display both in classrooms, on the court, and on the stage!

Our students exemplified what it means to persevere and push themselves to be the best versions of themselves. Thank you to all our players, coaches and fans for bringing such energy, heart, and sportsmanship to a fierce provincial final! We are incredibly proud of the players, coaches, fans, and families that stepped up to support our team at Provincials! To our talented arts department - you have taken the stage and shared the beauty of your talents for others to enjoy in the most captivating way!

One of the things we are most proud of is the way our entire school community has come together this month. In everything we do, from academics, to arts, to athletics, the strength of our community is evident. **There's a sense of belonging that comes from being a part of something bigger than yourself, and it's truly inspiring to see our students, staff, and families supporting each other every step of the way.**

We continue to be a school that thrives on respect, collaboration, and a shared commitment to being active and engaged citizens. Our passion for learning, growing, and succeeding together is a constant source of PIPER PRIDE. Have a wonderful Spring Break!
