## **SJASD Philosophy of Senior Years**

The Senior Years in SJASD offer a varied curriculum to meet the needs, interests, and abilities of students.

The program provides a sound basis for further education or immediate employment.

## School Focus

*In keeping with principles of our school division's strategic plan, we promote and value the principles of respect, integrity, responsibility and excellence – while promoting a school culture that understands and respects diverse values and world views.*

JTC

***In pursuing our vision, we value:***

***Justice that honours the individual***

***Service to others and philanthropy***

***Diversity of people and learning experiences***

***A sense of Community***

***Compulsory Learning for all***

***A Safe and Healthy environment***

## Community Connection

John Taylor Collegiate sits on Treaty One territory, the traditional territory of the Anishinaabe, Ininew, and Dakota peoples, and homeland of the Métis Nation.

John Taylor Collegiate has strong ties to the land around us and our surrounding community. We actively seek and create opportunities for our Pipers to connect and give back to others, developing their citizenship and character skills.
