Memo: Safe Drop off/ Pick Up Zones at John Taylor Collegiate

We are asking parents to support our request for parents/guardians to drop off and pick up their children on Hamilton Avenue or Knox Street. We take student safety seriously, and with 560 students and multiple school buses arriving daily, we ask that you use one of the "safe drop off / pick up zone" areas designated in green on the map below.

Please do not enter the staff parking lot (highlighted in red) from 8:00am to 9:00am or 3:00pm to 4:00pm.

Stopping in these areas, even for a few seconds, can put our students at risk, as it adds to congestion.

As you will note on the map, **Hamilton and Knox** are located right near the school and allow for good flow of traffic for student drop-offs.

Your cooperation also makes it easier for our bus drivers to manage traffic while loading and unloading bus students safely. On behalf of the school, and our students, thank you for your understanding and assistance.

Yours respectfully,

The John Taylor Admin Team
