

THE PIPER PRIDE

celebrating our pipers, connecting to our community

NOVEMBER

REMINDERS

There will be **NO** late start Tuesdays for the month of January to accommodate Assessment Week and Grade 12 Provincial Exams. Regular school start time is 8:30am.

Cell phones are only permitted before school, during lunch, and after school. If you need to contact your child for an urgent matter, please contact the office. Our team is prioritizing your child's learning that is free from distractions. Thank you for your support in your child's success.

Friendly reminder to ensure that families are connected to PowerSchool to help monitor your child's progress and success.

Thank you for continuing to prioritize student safety, and allowing access for our buses. Please do not enter the staff parking lot *between 8am-9am*. Please use the designated safe drop zones on Hamilton and Knox.

Hello, Piper Families!

As we reflect on this last month, we are filled with pride in the vibrant, positive culture that continues to thrive in our school community. From the energy in the hallways to the enthusiasm in the classrooms, it's clear that our students are not only working hard but also building an environment where respect, collaboration, and growth are at the forefront. It's the result of the hard work and commitment of our students, staff, and families. Together, we've created a space where students feel supported, valued, and motivated to give their best. While we celebrate these successes, we also want to remind everyone that our expectations remain high. We believe every student is capable of achieving great things, and we are committed to providing the guidance and support necessary for each student to reach their full potential.

Piper Life is busier than ever and we continue to beam with pride as we watch our students accomplish great things! Looking ahead, we are approaching the final months of the first semester. It is very important that students continue to stay dedicated to their coursework as they work towards their credit achievement. If students are experiencing challenges within their classes, it is strongly recommended that they connect with their classroom teachers for support.

As winter has arrived, please remember to drive carefully as we have many students walking to and from all three levels of schools within our area. Whether it's rain, snow, or ice, take extra time to reach your destination safely. We'd also like to remind everyone to dress for the weather—layer up and stay warm!

Take Care,

Mr. Lister, Mrs. Edwards & Mrs. Cantafio

NOVEMBER HIGHLIGHTS

Our Biology students headed out to Canadian Blood Services to join Manitoba's Lifeline.

Our first GYM BLAST of the year was a huge success! With our highest number of Grade 9s joining in many years, this crew came in 2nd place, just behind the Grade 12s! Well done to everyone who participated!!! It was a blast ;)

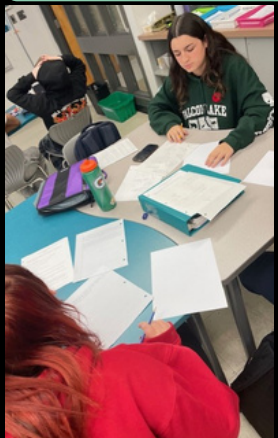

We are excited to see talents unfold as some of our Pipers begin working with Alyssia Sutherland to create their own ribbon skirts and ribbon shirts!

PIPER LIFE

Our boys hockey team headed out to Halifax earlier this month to face off teams across Canada in the 2024 CPA Hockey Tournament. The weekend was full of skating, scoring and sightseeing! You represented JTC well!

Many thanks to our student cadets who participated in our school's Remembrance Day Service. The morning was filled with heartfelt stories and messages from local and community voices.
