# Lakewood School Parent Newsletter

## Principal's Message

As we wrap-up the 2020-2021 school year, we are very thankful for how amazingly resilient our students, staff, families, and community members have been!

We are so proud of our students and staff for all of their hard work and well-earned successes this school year.

We are also so thankful to our families who worked closely and partnered with our staff throughout the school year. We truly could not have accomplished all of

our tasks without the support and dedication of our parents. Your patience, enthusiasm, and support were outstanding! Together, we made the most out of the year!

Congratulations to Lakewood's graduates of the class of 2021. We wish you all the best of luck as you take on new challenges in middle school next year.

We hope that everyone enjoys the final few days of the month of June and we wish you all a wonderful summer break.

By August, we hope to have more information around the specifics of school start up for the 2021-2022 school year.

We'll be sure to keep you informed as we learn more. In the meantime, we look forward to welcoming everyone back to in-class learning at Lakewood in September.

Be Safe, Be Healthy, and Have Fun this Summer!

Mr. Mavroudis**

Best wishes to those students who will be moving to new communities over the summer. We look forward to updates from your lives and seeing where your education leads.

We wish all the best to Ms. Sourisseau and Ms. Vinci in their new teaching positions at Heritage School and Phoenix School for the 2021-2022 school year.

We also wish Ms. Slobodzian, Mrs. Dueck
