

Sam's
Christmas

PROJECT ECHO

Project Echo is a not for profit organization that is known for taking care of Winnipeggers in great need. Their Sam's Christmas initiative helps over 1200 people each year by delivering awesome hampers to many families. Since 2002, Sam's Christmas has had one goal: making a magical holiday a reality for Winnipeg's less fortunate families. Sam's Christmas is about encouraging the spirit of giving in Winnipeg.

This year Project Echo is delivering deluxe hampers to 38 St. James School Division families in great need.

Please help us make this a holiday season to remember for everyone! **Lincoln Middle School** will be participating in the Divisional Rock Paper Scissors (RPS) Tournament at Sturgeon Heights Collegiate on Thursday December 7th. This event raises money and non-perishable items for these families. **Students will gain additional RPS lives by bringing food items and money to support Project Echo.**

All donations will go directly to our SJSD families.

Thanks for anything you can provide.

Tax receipts issued for donations \$20 and over. Please provide full name and address/postal code and the receipt will be mailed out to you. If paying by cheque please make it payable to Project Echo.
