

Dear École Ness families,

- Please take a moment to check out our exciting February calendar. Should there be any updates, they will be delivered straight to your inbox.
- A reminder that next Tuesday is early dismissal.
- Grade 6 and 7 students should have received their registration forms. Please return them on or before February 9.
- Grade 8 students will receive their grade 9 registration forms on February 9.
- While we continue to focus on learning history from various perspectives year-round, students will explore Black History more explicitly during this month.

Have a wonderful weekend!
