Where do Phoenix School Parent Council fundraising dollars go?

Each year the goal of the Parent Council is to support a portion of the Grade 5 grad celebration and provide teachers with extra classroom funds to enrich our students environments and education. Our 2024 goals also include bringing a theatre performance to the school performed by Manitoba Theatre for Young People, helping fund new sensory items for the resource room and replacing the fish tank in the office!

Thank you for your support!

Modular Classrooms Update

Manitoba Hydro completed some of the hydro installation for our portable classrooms over the past several days. The remainder of the work is scheduled for completion over Spring Break. Plans for setting up our relocated library have started.

Kindergarten Registration

Kindergarten Registration is now open for catchment area students for the 2024-2025 school year. Registration forms can be [downloaded](#) or picked up from the school office.

Out-of-Catchment/Out-of-Division Requests

Important: All caregivers must first register their child in their catchment area school before submitting a request to register for an out-of-catchment SJASD school.

From time to time, caregivers may wish to register a child for a school that is out of their catchment area. This includes families that live outside Division boundaries.

While this is not always possible, and depends on available space and other considerations, if this is something your family would like to do, caregivers may submit an Out-of-Catchment/Out-of-Division application and be placed on a waitlist. SJASD will review each request on the wait list and let the family know whether the application has been accepted or denied.

Please note the following:

- You must first register your child for their catchment school prior to completing an Out-of-Catchment/Out-of-Division application.
- SJASD will begin accepting applications for the 2024-25 school year on **February 16, 2024** at 8 a.m.
- **Once open, please complete the [application form](#)** (*link will be live at 8 a.m. on Feb. 16, 2024*). Schools may also link to the form directly on their website. If you have any difficulties accessing the form, please contact the [Division office](#).
- Families that live outside of Winnipeg should submit their Out-of-Division requests no later than May 15, 2024.
- The waitlist will close on May 15, 2024.
- Requests will be processed in the order they were received.
- Families on the waitlist will be notified of the status of their request by **June 14, 2024**.

For Q&As on registering your child for an out-of-catchment, Early Years school, read our [Guide to Early Years Out-of-Catchment Registration Brochure](#).

Questions?

For further information, please contact the [Division office](#) (Out-of-Catchment/Out-of-Division questions) or the school in your catchment area (other registration questions). *School contact information is available on [school websites](#) or via [School Locator](#).*
