Wednesday, November 11, Day 4

Remembrance Day, No School

Thursday, November 12, Day 5

Friday, November 13, Day 6

Inservice, No School, Report Card Writing Day

Remembrance Day Assembly

Our Remembrance Day Assembly will take place on Tuesday, November 10 at 1:45 p.m. This year, we will be **livestreaming the assembly**, allowing family and friends to participate from the comfort of their homes or workplaces. While we are unable to accommodate additional guests in the gym due to space limitations, we warmly welcome Veterans to attend in person. Their presence is an important part of helping us honour and remember those who have served our country. **The livestream link will be sent to families via email November 9th.** For families wishing to attend a public ceremony, a Remembrance Day Service will be held at the Headingley Community Centre on November 11th at 10:45 a.m., with doors opening at 10:00 a.m. Thank you for your understanding and support as we come together to recognize and remember the sacrifices made by Canada's veterans and service members. We look forward to sharing this meaningful event with our school community via livestream.

Munch a Lunch

NEW-Kindergarten students are welcome to order the hot lunches! Please note: Just use the link below to order and identify if you're in **room 1 or Daycare**. Lunches will be sent directly to the daycare, distributed for hometime or kept at the office for Kindergarten pm students to enjoy at snack time. Orders close the Monday before each hot lunch and must be paid at the time of ordering. **Hot Lunch Dates:** Nov. 20, Dec. 4 & 18. Order online through **MunchaLunch**: Phoenix School Orders. Thank you for supporting Parent Council!

Headingley Community Foundation

Our sincere thank you to the **Headingley Community Foundation** for its generous gift of $500 through the **215 Moccasins Designated Fund**. This funding will support initiatives at Phoenix School that promote the preservation, understanding, and appreciation of Indigenous culture, language, and history. We are grateful for this meaningful contribution, which helps strengthen learning opportunities for our students and supports our ongoing commitment to Indigenous education and reconciliation.

A huge thank you to our community for supporting our Dance-a-thon! Together, we raised $8787.10 for field trips, learning resources, and student performances. Your support helps create incredible opportunities for our students.

Student Safety at Morning Drop Off

As we head into the darker months of the year, morning drop-off and travel to school will take place before sunrise for many students. Please review these important safety reminders with your child to help them stay safe and visible.

- *Choose well-lit routes whenever possible.*
- *Stay alert and avoid distractions while walking.*
- *Wear bright-coloured clothing and add reflective materials to backpacks, jackets, or winter gear.*

Consider using LED safety lights, clips, or reflective armbands to increase visibility.

- LED Reflective Arms Bands
- High Visibility Arm Bands

We also ask all drivers to use extra caution near the school and watch carefully for pedestrians. School supervisors will be especially vigilant at bus loading zones and on the school playground areas. **Staff members will be easily identifiable while wearing reflective vests and carrying lanterns to help guide students safely into the school each morning**.
