

Phoenix School Project Fair

Our Project Fair will be held on Wednesday, March 14th. Projects can be set up from 8:00 a.m. - 8:15 a.m. that day. Students will be called to the gym throughout the morning to be judged on their project. Participation in the fair is encouraged for all grades. Good luck to all participating students!

Project Fair Club!

Tuesdays & Thursdays during the lunch recess
February 13th-March 1st

On Tuesdays and Thursdays, during the weeks of **February 13th-March 1st**, any students who are entering a project in our Fair may join me, Mrs. Slyker, in my room (Room 15) at 11:45 to work on their projects. I will be there to supervise students who may need extra time to work on their project (but students need to come up with project topics and main ideas on their own). I will have iPads available for research purposes.

Please note: students must come prepared with all they need to work on their projects (markers, pencils, project backboard, etc).
